

Am C G Dsus2  
 Seraphs flying in the throne room crying Holy  
 Covering their face and their feet with their wings  
 All heaven is trembling at the sound of their voices as  
 Smoke and fire ascend before the King  
 C G C G  
 And they cry, Holy Holy, Holy Holy, Holy Holy  
 Em D C  
 Mountains and seas recede and  
 Everyone falls to their knees  
 G D C  
 Faces all pressed to the ground  
 You can't even hear a sound  
 G C G C G  
 'Til we cry Holy Holy, Holy Holy, Holy Holy, Holy Holy

Em G D Asus  
 The veil is parted and the throne stands there before us  
 Glorious light that no man dare see  
 Jesus steps forth with arms extended as He  
 Welcomes home His family  
 C G  
 And He cries, Welcome, Welcome... home my children  
 C G  
 Come O come unto me (repeat)

Em G D Asus  
 We lift our eyes and we look upon Him  
 And at last God's face we see!  
 And as we gaze upon His glory  
 We are changed for eternity  
 C G  
 And we cry, Abba, Abba... Abba Father  
 C G  
 We're so glad to be home (repeat)  
 Em D C  
 We're so glad to be home  
 Em D C  
 While the Seraphs keep flyin'  
 With their Holy cryin'  
 G D C  
 We reign with You on Your throne and  
 We're so glad to be home  
 G C G C G  
 We're singing Holy Holy! Holy Holy! Holy Holy! Holy Holy!
