

**D** **DM7/A**  
With broken hearts we come to worship

**Em7/B** **A**  
Come to lay our burdens down

**D** **DM7/A**  
In the presence of the Holy

**Em** **A**  
As the angels gather 'round

**Em7/B** **A**  
We bow before Your throne

**Em** **A**  
You've claimed us for Your own

**D**  
And we worship

**D**  
Who am I that You would care

**DM7/A** **Em**  
Who are we that You would share our sorrow

**A**  
Who are You who stooped so low

**A**  
To be our friend and to show

**D**  
God's mercy

**D**  
God Almighty Heaven's King

**DM7/A** **G**  
Ruler over everything You created

**A**  
Though we were sinners You love us so

**A**  
You came to earth so we could know

**D**  
Forgiveness
